Dick and Emily Durbin

Anna Maria is proud to be the home to several married couples, with one such couple being Richard (Dick) and Emily Durbin, residents in our Norwood independent living area since January of 2020. Dick and Emily just celebrated their 60th wedding anniversary this past March; here is their love story.

One fine afternoon, Emily was invited over her friend Sally's house to hang out. Little did she know that Sally's boyfriend invited his friend Dick over as well. Dick knew that a girl would be there, however he thought it was a girl he met once before. Nothing like a little match-making! Dick, wearing a pink sweater, drove up on a motor scooter (being only 15, he did not yet drive). Emily thought the scooter was pretty cool, however, she questioned the pink sweater and why he was wearing it. Despite the pink sweater, Emily thought Dick was cute.

The match-making worked, as Dick and Emily were smitten with each other and continued dating through high school. Emily's parents, who did not like the boy she previously dated, gave Dick a thumbs up. Certainly benefits a relationship when your parents approve.

After graduation from high school, Dick headed to Michigan State and Emily to nursing school. With one school located in Lansing and the other in Detroit (about a distance of 90 miles), this arrangement did not work out too well for these lovebirds. Dick would travel to Detroit every weekend to see Emily (when he should have been studying), while Emily was not enjoying nursing school. So they decided to get married and moved into the "married couples" housing at Michigan State. This arrangement worked out well, perhaps too well, as their firstborn child, John Christopher, was born one year later, followed by second son Michael, then daughter Jennifer.

Dick drove a MG which he entered in a race and won first place. He was quite proud of this car. However, when Emily was pregnant with

John she could no longer fit comfortably in the front seat, so Dick traded in the MG for a more family-style car, a Corvair. Much more comfortable for Emily.

Dick was not yet quite finished with school when he received a call from a friend's father, offering him a job at Precision Fitting in Cleveland. With a growing family to support, Dick accepted the position and moved the family to Euclid, Ohio. In 1988, the company set forth plans to build a new plant in Aurora, so the family moved to Aurora. Though plans for the Aurora plant fell through, the family remained in Aurora, with the kids enjoying Geauga Lake and Sea World. Dick, fortunately, did not mind the commute.

Dick's nickname for Emily was his "Honda Honey." The couple enjoyed numerous motorcycle rides together, specifically an annual trip to Gatlinburg, TN; they loved the Smokey Mountains. The family enjoyed time together at the family cottage in Long Lake, Michigan (located near Traverse City in the UP).

Though her three kids kept her very busy, Emily found time to cross-stitch and knitting. She once knitted a very nice sweater for Dick. Was quite an endeavor for Emily, as this was the last item she ever knitted. The sweater was eventually passed down to son Mike, whose wife accidentally placed it in the dryer, not realizing it was wool. Oops! Their two-year old son was the proud owner of this infamous sweater for a bit of time. Dick enjoyed wood-working in his spare time, and crafted many amazing clocks.

In 2019, facing a few health challenges, Dick and Emily moved to Anna Maria of Aurora, one of the best decisions they ever made. This great couple is right at home here, enjoying the many activities offered and have made many friends. They strongly believe in their Christian faith, knowing that FFF is most important – Faith, Family, Friends. Dick and Emily know they are in "His" hands in "His" time. May God continue to bless Dick and Emily with many more years of good health and happiness.

Happy 100th Birthday Mary Lou Tesauro!

We have yet another centenarian here at the Campus of Anna Maria! Mary Lou Tesauro turned 100 years young on July 21. The weather cooperated nicely, allowing this lovely lady to enjoy a lovely garden party, celebrating with family, friends, and caretakers. Mary Lou's daughter, Mariann, flew in from Hawaii for this special occasion. We hope the good Lord will continue to bless Mary Lou with good health and happiness.

Hawaiian Leis

In Hawaii, receiving a lei is a way to show friendship, love or to celebrate or honor someone. It's also a way to greet someone warmly. The most common flower used in leis is the orchid, known for its beauty and strength. Though we are not about to take a trip to Hawaii anytime soon, Anna Maria residents enjoyed their own version of the Hawaiian lei. Close your eyes, play some Hawaiian music, and one can imagine he or she is on the shores of Waikiki Beach!

Shark Week!

Shark Week was a huge success at the Kensington building last month, with lots of “fishy” fun. Shark games and crafts were enjoyed all week, with a special appearance from a fishy friend! Many thanks to our creative activities department for planning such cool activities for our residents to enjoy

Tea for Two, and Two for Tea

The whole point of a tea party is to get together and enjoy each other's company. In preparation for our tea party, Anna Maria residents crafted flower pins to wear in their hair. On Tea Party day, all enjoyed a fine cup of tea and finger sandwiches, along with good conversation. Anytime is a good time to have a tea party, as we discovered *** "There are few hours more agreeable than the hour dedicated to the ceremony known as afternoon tea" – Henry James

Happy Birthday Phyllis!

Doesn't she look marvelous? Happy 94th birthday to South resident Phyllis Boyd. Hope you enjoyed that delicious cupcake.

Open for Business!

The residents on the South unit at Anna Maria can once again enjoy breakfast, lunch, and dinner in the dining room. Due to Covid, the "South" dining room has been closed for the past year, and the residents are thrilled to be enjoying their favorite food items, along with good conversation with friends, in a restaurant-like atmosphere.

Assisted / Independent Living

A look at what is going on...

Our First Harvest

Tomatoes are finally ripening in the raised garden beds in the Grande Courtyard, turning a most wonderful shade of red. Lisa McFarland (AL/IL Activities) picks the ripe ones daily and places in a basket. Residents can help themselves to this most delicious homegrown delight!

Resident therapy dog, Bowie, could certainly be a perfect poster dog for a “Dog Days of Summer” campaign, don’t you agree? The Dog Days of Summer refer to the hottest, most uncomfortable days of summer, though Bowie does not look the least bit uncomfortable.

Flower Arranging

Residents enjoyed a fun afternoon of flower arranging, also known as Ikebana, the Japanese term for “making flowers alive.” It’s a definitely an art learning how to flower arrange, however, ours turned out pretty nice.

An Afternoon at Ernie's

Many of you are familiar with activities assistant/ driver Ernie Quesenberry (he's been with Anna Maria for over 35 years). Ernie has not one, but two very green thumbs and has a thriving and absolutely gorgeous backyard garden at his house in Streetsboro. Every summer Ernie hosts an afternoon lunch for the residents at his house. Being that this did not happen last year due to Covid, Ernie warmly welcomed everyone back this year! Residents enjoy browsing amidst the beautiful gardens and greenery after munching on a simple yet delicious lunch. Thank you Ernie (and cat Grayson) for your hospitality!

Yes Ginny (in blue) we see you!

Looks like an exotic jungle – not a backyard in Streetsboro! Wow!

Out to Lunch

Norwood residents are excited to once again dine out and enjoy lunch and/or dinner at neighborhood restaurants. Last month we stopped at Mason Jar and Mad Jack's in Aurora, Don Patron's in Streetsboro, and Imperial Wok in Solon. All were most delicious. It's nice to be out and about again.

Nature...What a Beautiful Thing...

Look deep into nature, and then you will understand everything better – unknown. These gorgeous pictures were taken by Lisa McFarland (AL/IL Activities) right in our own backyard, the Grande Courtyard. Black-eyed Susans are one the most popular and long-lasting perennials, adding color and beauty to any landscape will into the fall season. Look closely at the other picture, and you'll see what appears to be a hummingbird, however, it's actually a hummingbird moth. Very similar. Take a moment and enjoy the beauty around you.

August is...

August is National Back to School Month! Most kiddos will head back to the classroom the end of the month. Masks will not be mandated by the State of Ohio, but it's "strongly recommended" that the unvaccinated wear masks.

Aaahhh, August, the last full month of summer, often considered the "dog days of summer." August is the time to reap what you've sown, as most summer vegetables are ready to be harvested. It goes without saying that August is a good time to celebrate a good harvest and a good summer! See page 12 for a most delicious recipe for zucchini bread (a popular vegetable in many gardens), courtesy of Sally Baltes, Anna Maria Director of Nursing!

Calendar

August 9 – National Book Lovers Day – time to check out a good book

August 12-15 – The Feast of the Assumption is back in Little Italy in Cleveland. Food, games, rides and FUN!

August 15 – National Relaxation Day – kick back while you can!

August 17 – National Nonprofit Day – a day to bring awareness to the positive impact nonprofit organizations have on communities

August 19-29 – Watch the best young baseball players compete in the Little League Baseball World Series in Williamsport, PA. You can catch all the action on ESPN or ABC

August 22 – National Peach Day! Peaches are in peak season during the month of August – this is the best time to enjoy a peach (what state is known as the Peach state?)

August 27 – World rock, Paper and Scissors Day – rock will win 35.4 % of the time

August 30 – The U.S. Open Tennis Tournament begins in Flushing, NY
