## Good Things are Worth Waiting For! Welcome Back Families!

The family of Kensington resident Tina C.

Last week, indoor visitation restrictions were lifted for our nursing home and assisted/independent living residents, with visits taking place in the residents' rooms. Though we are excited for our residents and families to be reunited once again, we are cautiously optimistic and ask all visitors to please be respectful of the guidelines set in place by the two main government entities – CMS (Centers for Medicare and Medicaid Services) and ODH – Ohio Department of Health. All visits must be registered through SignUp Genius (links were sent to the responsible party of each resident via email – also on our website – [annamariaofaurora.com](http://annamariaofaurora.com)). No walk-ins or non-scheduled visits permitted. As vaccinations continue to increase, our hope is that our doors will be wide open once again, soon.

Welcome back balloons!

Andy and Joyce Amberik are excited to visit with Anna Maria resident Ron S.

# Millie Carr

Jim and Millie's Wedding Day!

50th Wedding Anniversary

Socks the Cat – So Cute!

## *Millie worked part-time as a waitress and receptionist while raising her kids!*

**T**he only child of Norman and Wilda Mickley, Millie was born on September 11, 1935, in Upper Darby Township, a suburb of Philadelphia, PA. The family moved to Bedford, OH, when Millie was five years old. She attended Bedford City Schools all 12 years, and after graduation, was accepted at Fenn College, now known as Cleveland State University. Millie was musically-inclined, playing the piano and the marimba, a percussion instrument consisting of a set of wooden bars when struck with rubber mallets, produces musical tones. She performed with the Cleveland Women's Orchestra, and was invited to play the marimba on Cleveland's Bill Gordon Radio Show, a popular morning music and talk program. Her excellent marimba-playing won Millie 2nd place on the very popular Gene Carroll talent show which aired on WEWS channel 5 for 20 years (mid 50's through 70's).

**W**hile attending college, Millie met her future husband, Jim Carr. The two married in June of 1956, and were blessed with three lovely children: Peggy, Scott, and Brad. Millie fondly remembers a trip the family (including her mother) enjoyed traveling out west. The highlight? Finding a huge moose right outside their cabin in Yellowstone National Park. What a way to start the day! Millie worked part-time as a waitress

and receptionist while raising the kids, however, when her youngest was old enough, she worked full-time at the Shaker Secretarial Service Answering Service. Jim was a specialist in the wood and synthetic flooring business. He was recognized for his 60 years of service to the industry with an induction in the Maple Floor Manufacturing Association's Hall of Fame. Quite an honor.

**M**illie is a cancer survivor, having underwent colon surgery in 1991, followed by a year of chemotherapy. She and Jim belonged to the Rejoice! Lutheran Church in Hudson, where Millie remains an active member today. The couple moved to an independent living apartment at Anna Maria in May of 2016. Sadly, 2017 was not a good year, as Jim passed away in January, followed by daughter Peggy in September.

**M**illie enjoys her time here at Anna Maria, where she is a Resident Ambassador, offering assistance to new residents and helping them navigate their way through the halls of Anna Maria. She maintains the coffee station in Norwood B, keeping it clean and well-stocked. If you stop by Millie's apartment, say hello to her lovely cat, Socks. Millie and Socks enjoy living here at Anna Maria. She will often say it's not just her apartment, it's her HOME!

# Employees of the Month

*Ashley Hamilton,  
Medicaid Liaison.*

## Anna Maria

*Always willing to pitch in and help!*

Congratulations to our Anna Maria Employee of the Month, Ashley Hamilton, Medicaid Liaison. Ashley is one of those employees who is always willing to pitch in and help whenever and wherever assistance is needed. During an emergency situation with an office employee, Ashley jumped right in, without hesitation, and handled the job responsibilities so the department could run smoothly during the absence. All this was accomplished without any complaints and with a beautiful smile and attitude. Ashley, you make a difference and we appreciate you.

*Brandy Babus,  
STNA.*

## Kensington

*Brandy is not afraid of hard work!*

Congratulations to our Kensington at Anna Maria Employee of the Month, Brandy Babus, STNA. She is such an asset to the nursing team; she's a team player and always places the needs of her residents first. Brandy is not afraid of hard work, and will pitch in if extra help is needed. She's pleasant and kind and has a wonderful "can-do" attitude. Brandy is a breath of fresh air, and we so appreciate her dedication to our residents. Keep up the good work!

### **St. Patrick's Day Fun!**

The “big” holiday in March is of course St. Patrick’s Day, and it’s always fun preparing for this “green” holiday, where everyone is Irish. In addition to crafting lots of crafts, residents enjoyed a parade led by a professional bagpiper, Jesse Tucker. It was a really fun and special day for our residents. Unfortunately, a pot of gold was not found under any rainbows.

Leprechaun juice anyone?

Lucky leprechauns John Jones (HR) and Jody Rader (admissions)

(l to r): STNA Terri Malloy and LPN Cherrita Mallet

After enjoying her snack, Julie L. is ready to dance (with nurse manager Heather Carcelli)

## It's Not How you Bowl...It's How You Roll...

**G**roup activities are once again in place, and we are excited for the return of bowling, a favorite activity of the residents at Kensington. Though we were a little rusty at first, didn't take long before strikes and spares were a-rolling. We look forward to enjoying other activities that were shelved due to the pandemic.

Yes! Joyce E. bowls a strike

Marilyn D. gets ready to throw the ball

## Getting Ready for Easter...

**W**hat's Easter without a Easter basket? Simply not going to happen. Kensington residents crafted an adorable spring basket with complete with paper eggs. A great reminder that spring is here!

## To Dog-Ear or Not Dog-Ear?

Okay, admit it. How many of you “dog ear” a page when reading a book? About 25% of us dog-ear, but only with their own books. This practice is frowned upon by those who want to preserve books in their original condition. None of this going on at Kensington, as residents made their own silicone bookmarks. Epoxy resin was poured into a mold, and once hardened, were personalized with glitter and stickers. Finished product turned out awesome! Beautiful!

Beautiful!

Looking for a good book to read (and dog-ear) – check out this book!

Who wouldn't want one of these lovely bookmarks?

## Welcome Maurice White, Housekeeping Supervisor

We warmly welcome Maurice White to the Campus of Anna Maria family. Maurice was recently hired as the new Housekeeping Supervisor, and he comes with loads of experience, as he worked as a site manager for over 10 years for a commercial cleaning company. Maurice is an avid fitness and movie buff (loves action movies like the Avengers and the Hobbit), and enjoys good food and a good shopping mall! He is excited to be here and strongly believes in our motto, Every Resident, Every Family, Every Day. Welcome Maurice!

## Let's Play Ball!

Marv Hamby at Anna Maria is ready for baseball! Who is his favorite team? You guessed it, the Cleveland Indians! Woo Hoo! Let's go Tribe!

## Looking Good Virginia!

**W**ith a new hairdo and a lovely white shawl! Virginia is one of the nicest people you'll ever have the pleasure of meeting.

## Thank You St. Rita's 3rd Graders

**T**he 3rd grade class at St. Rita's Catholic School in Solon, under the instruction of Mrs. Heather Bianco, crafted these beautiful wooden crosses, hand-painted and customized with love. We are so appreciative of the thoughtfulness of these talented youngsters. Thank you!

## Congratulations Lisa Brownlow, LPN.

**C**ongratulations to LPN Lisa Brownlow on celebrating five years of service with the Campus of Anna Maria. Lisa works in the Arborview and South units at Anna Maria, and she is a hard-working, caring, and devoted nurse. We thank you for your dedication to our residents.

# Assisted / Independent Living

*A look at what is going on...*

## St. Patrick's Day Centerpieces

**A** bit time-consuming and tedious, but the end result wonderful! Assisted living residents crafted a cute St. Patrick's Day centerpiece. "Wishing you a pot o' gold and all the joy your heart can hold."

## Easter Crafting Fun

What is a rabbit's favorite food? Why a carrot of course! Not sure how are awesome activities staff come up with these cute ideas. A carrot was crafted out of wooden craft balls, then "planted" in a garden with a fluffy-tailed rabbit digging for that carrot.

## Campus of Anna Maria Apparel

You can be stylish and cool with Campus of Anna Maria apparel. How about a fleece jacket, perfect for this time of year when a winter coat is too warm, yet it's not warm enough to go jacket-less? Planning a spring break trip? An Anna Maria insulated backpack is the perfect carry-on with lots of pockets and storage space! An Anna Maria online store coming soon to our website. In the meantime, email editor Joann Poremba at [jporemba@annamariaofaurora.com](mailto:jporemba@annamariaofaurora.com) if interested in a fleece jacket or backpack. You won't be disappointed.

## Pretty in Pink

Assisted living resident Peggy S. shows off her lovely manicure. Looking good Peggy!

## Holy Communion

After one long and stressful year, Catholic nursing home and assisted / independent living residents are once again receiving Holy Communion, thanks to the efforts of office manager Joann Poremba who was recently commissioned to serve as an Extraordinary Minister of Holy Communion. This ministry will continue with Joann, and hopefully, one day soon, with our regular volunteer ministers from Our Lady of Perpetual Help Catholic Church. As well, we hope to resume Bible Study and other faith-related activities. Keep an eye on the monthly calendars!

# April is...

**April is National Humor Month!** Did you know that laughter is good for you? Laughter enhances your intake of oxygen-rich air, stimulates your heart, lungs, and muscles, and increases the endorphins that are released by your brain.

What do you serve but can't eat?

A tennis ball!

Why are diamonds always tense?

Because they're always under pressure!

**April is National Grilled Cheese Month, and we can't think of a comfort food more deserving of its own month-long celebration!**

**April 1** – April Fool's Day! Who will you fool today?

**April 1** - Play Ball! Opening day of the 2021 season of Major League Baseball. Your Cleveland Indians play a series against the Detroit Tigers.

**April 4** – Easter Sunday. Ham or Leg-of-lamb at your table?

**April 5** – Cleveland Indians Home Opener at Progressive Field against the Kansas City Royals.

**April 7** – No Housework Day. Good luck with this one.

**April 8 - 11** – Golf's best players tee off in Augusta, GA, at the 85th edition of the Masters Tournament, the first of four major golf championships held in 2021. Dustin Johnson won in 2020 (held in November without spectators due to the Covid pandemic).

**April 11** – National Pet Day

**April 22** – Earth Day. What can you do to help? Do a good deed for our troubled planet. Check out [earthday.org](http://earthday.org) for more information.

**April 29 - May 1** – 2021 NFL Draft right here in Cleveland, Ohio! Browns have the 26th pick, with the Jacksonville Jaguars picking first, possibly Clemson quarterback Trevor Lawrence.
