NANCY DAVENPORT

Nancy Gary was the second child and daughter born in Bucyrus (Ohio) to parents Harold and Velma on January 29th, 1938, a cold and snowy day. Shortly after her birth, the family moved to North Robinson, near Mansfield. Nancy and her sister, Patricia, spent the summers at their grandparents' fruit farm in Ashtabula, where peaches, strawberries, and grapes grew on miles and miles of fertile soil. In fact, the grapes grown were sold to Hi-C and made into delicious fruit juice. The farm covered over 70 acres of beautiful land; in the distance the blue waters of Lake Erie could be seen on a clear day. Eventually, her grandparents sold the property to the city; the new Ashtabula High School was constructed on this former fruit farm. No more Hi-C grapes.

Nancy graduated, at the top of her class, from North Robinson High School in 1955. Education was very important in the Gary family as her father, Harold, was superintendent of the North Robinson school district. Nancy attended THE Ohio State University, graduating with a Bachelor of Science in Home Economics. While in college, Nancy briefly dated a pilot, sparking an interest in flying. She advanced to the solo portion of the lessons, however, she did not care for the navigation piece, as it was not her "cup of tea."

After graduation, Nancy secured a position at Plymouth High School as the new Home Economics teacher. Being cute and single, she caught the eye of the band director, Harold (Hal) Davenport. After one year of friendship and dating, the two made it official, marrying in June of 1961. The newlyweds enjoyed a lovely weekend-long honeymoon in a beach house on Long Island Sound, returning to work just a few days later. Soon after, Hal was offered (and accepted) a music director position for the Coshocton schools, overseeing all music programs from elementary to high school. A middle school math teacher was needed as well, so Nancy became the newest math teacher at Coshocton.

Since their original honeymoon was "short and sweet," Nancy and Hal took a "real" honeymoon to Scotland. Since both are of Scottish descent, they thought Scotland was an appropriate choice. Of course, the trip was amazing and most of all, memorable.

The couple welcomed a bouncing baby boy, Robertson, in 1965. Another son, Scott, was born one year later, but tragically died at six weeks of age from SIDS. In 1967, Nancy suffered a miscarriage. Thankfully, in 1968, the family was blessed with another baby boy they named James. Shortly after his birth, the Davenports relocated to Canton, Ohio.

Music played a very important part in the family. Nancy sang in the church choir, and Hal was the organist. Robertson and James assembled various garage bands throughout their youth, and put together a pretty decent jazz band at one point while in college.

One of Nancy's most favorite hobbies was spinning – taking raw wool and turning it into yarn. She excelled at this craft, and was an avid member of the Canton Spinners and Weaver's Guild. The group would demonstrate their skills at state and county fairs, and hosted the Midwest Weaver's Convention in Canton (which was a pretty big deal). Nancy owned several looms (but no sheep) and became a master weaver.

Sadly, Hal passed away 11 years ago, in 2011. To help ease her loneliness, Nancy found herself longing for a four-legged companion. One day, while watching Fox 8 news in the morning, an adorable Tibetan Terrier was showcased for adoption. Nancy quickly sprang into action, adopting this cute puppy whom she named Piper.

Nancy and Piper moved to Anna Maria of Aurora in June of 2021 to be closer to her family, which now includes three grandsons. We are so thrilled to have this lovely lady (and cute dog) here with us. Stop by anytime and say Hello!

A LOOK AT WHAT IS GOING ON...

Spring Has Sprung!

Or at least we hope so, leaving winter far, far behind. Good riddance. Anna Maria and Kensington residents enjoyed a variety of spring-like crafts, focusing on pretty flowers. Let's hope we'll see some real flowers popping up real soon!

HOPPING DOWN THE BUNNY TRAIL...

Easter is right around the corner, and Anna Maria residents “hopped” into action getting ready for this spring holiday, painting a glass jar and filling with pastel-colored M&M’s. What a sweet, pretty treat!

Congratulations Kelli McFall!

Anna Maria, Kensington at Anna Maria, and assisted/independent living residents experienced all sorts of “green” fun during March. We decided that St. Patrick’ Day should be celebrated all month long, not just one day. Residents kept busy with a great variety of fun crafts, entertainment, and delicious food (corned beef sandwiches) and green drinks!

Bowie – what a handsome guy!

Moo – another handsome guy!

Taco Tuesday

Director of Maintenance Jason Reed – now that’s a nice support and buy a taco lunch lunch!

(l to r): Pat Williams, Lisa McFarland, Brandi Mace help with lunch

Tacos anyone? We recently held a “Taco Tuesday” fundraiser to assist a fellow employee who is experiencing intense therapy and recovery following a medical crisis. So proud and pleased to report that we raised \$1,500, which will greatly help with mounting medical bills. Every resident, every family, every day... You bet!

Puppy Love

This is Charlie – she fell asleep on the keyboard!

This is another puppy who fell asleep on Pat M.

This is Millie, a therapy dog, giving some TLC to Mary M.

We all have experienced the joy and happiness of seeing and/or holding an adorable puppy. There’s been an abundance of puppy love at Kensington, as the dog of Activities Director Amber Reed recently had a litter of puppies. Talk about cuteness overload. The good thing is that all six puppies were adopted into loving homes. We also have plenty of therapy dogs and puppies that come visit, spreading love and sunshine to all!

She started it all! This is mamma dog Dessi

Have you ever seen a geranium survive past fall? This one did

Tina Miller – show us those green thumbs!

The hallway connecting Norwood “A” and “B” is a typical hallway, nothing too exciting. Well, that has changed! What was once a boring, barren hallway (a few chairs here and there) is now a bright, beautiful, and GREEN delight! Tina Miller, AL Housekeeping, has not one but two green thumbs; she has nurtured a great variety of plants and flowers (including a gorgeous geranium) that have blossomed and bloomed due to her TLC as well as the abundance of natural light. Take a stroll and get ready to be amazed.

MAKING HOMEMADE CARDS

We received a lovely invitation to craft one fine afternoon at the Orange Senior Center. What a fun time creating lovely greeting cards. Each resident went home with several homemade cards. Nothing better than a hand-crafted card, made with love from the heart.

(l to r): Mary S., Ann W. and Lorraine T. had such fun creating these greeting cards

Yoga is a Light which once Lit, Will Never Dim!

Residents continue to enjoy yoga under the tutelage of Activities Director Lisa McFarland. Check out that Warrior One pose. Looking good ladies!

A Nice Family Gathering

We were the lucky recipients of a few tickets for “A Nice Family Gathering” at the Aurora Community Theatre. Consensus? Everyone enjoyed it. Next show is Spring Awakening, June 24 through July 16. This was the winner of eight Tony Awards; tickets will sell quickly. Stay tuned....

Lunch at Papous

(l to r): We all enjoyed good company and great food

We are slowly but surely enjoying more activities including one of our favorites: dining out. Residents recently dined at Papous, a family-owned restaurant in Aurora, offering a great variety of really delicious food. Everyone gave Papous a “thumbs up!” We’ll be back!

APRIL IS

The month of April gets its name from the Latin word *aperio*, meaning “to open [bud],” because plants and flowers really begin to grow and blossom now.

April is National Grilled Cheese Month, and we can’t think of a comfort food more deserving of its own month-long celebration!

April is National Humor Month! Did you know that laughter is good for you as it enhances your intake of oxygen-rich air, stimulates your heart, lungs, and muscles, and increases the endorphins that are released by your brain. Wow, no wonder they say laughter is the best medicine!
