

Specializing in quality of life with safety in mind

Indoor visitation policy- Updated October 2021

- Visitors do not currently need to schedule their visitation. They may visit during the hours of 9 a.m. until 7p.m. (with the exception of meal times.)
- All visitors are to use entrance D5, temp. check and sign in using the lobby sign in book.
- Visitors are to be greeted by staff at D5 to make sure they are properly screened and proper mask usage. No visitors are to be given the entrance code.
- All visitors must fully fill out contact and screening information for each visit.
- Visits may be held in the resident's room, patio area, or other socially distanced areas. Visitors are asked to not spend time near or around other residents in the facility.
- No more than 4 visitors per visit.
- All visitors, regardless of vaccination status, must wear a properly fitting surgical/procedural style or N95 **mask at all times**. No cloth masks permitted.
- Residents must wear a properly fitting surgical/procedural style mask if any of their visitors are unvaccinated.
- Visitors are encouraged to keep their visits to 1 hour or less.
- Visitation will not be permitted during resident meal times.
- Local hospital capacity, local community covid-19 cases, facility staffing levels, and covid-19 status within the facility can cause visitation to be suspended immediately.
- Visitors are strongly encouraged to get tested prior to visitation.
- Visitors are strongly encouraged to get vaccinated prior to visitation.
- Residents who are on transmission-based precautions for COVID-19 will not be permitted to do indoor visitation.
- No food or drinks are permitted to be consumed by visitors or residents visiting with unvaccinated visitors- due to mask policy.
- If you are not feeling well for any reason, you must call and cancel your visit. Thank you.
- **Failure to comply with visitation policy, including the proper use of masks, will result in suspension or termination of your visitation privileges.**
