Your Work Family Is Like A Real Family!

When tragedy strikes, family is always there. A caregiver with our Family Tree Home Care Services division recently lost her beloved grandfather and home in a devastating fire. Immediately, employees asked...what can we do? A 50/50 raffle was set up, and Anna Maria matched what was raised. So proud that the Campus of Anna Maria presented a check for \$1,500 to Kailin Willyard and her grandmother, Goldie Hess, to assist with rebuilding. Please keep Kailin and Goldie in your prayers. *** For more information on how you can help, contact 330/562-6171.

Dorothy Vartorella

Isn't Dorothy lovely?

Dorothy and Edward

Dorothy's four kids with grandma (holding Roseanne) and Edward

Dorothy's favorite destination? - Italy!

If you're a true Clevelander, the words "Hough Bakery" instantly make your mouth water and your head swirl with wonderful memories. Anna Maria resident Dorothy Vartorella spent 25 years working in the catering department of Hough Bakeries, and has many "sweet" stories to tell.

Edward and Laura Kopacz welcomed their firstborn, a little girl they named Dorothy, on September 12, 1931. Growing up on Broadway Ave. in Cleveland, the family belonged to St. Catherine's Catholic Church on East 93rd St. where Dorothy and her sister attended grade school. Dorothy's Catholic education continued at Beaumont School, an all-girls school. After graduating, she entered the work force at Hough Bakery, arguably one of the finest bakeries in the country at the time. Her favorite item? Cream Puffs. Dorothy loved her job and was quite good at it as clients would reach out and ask her to cater future events.

Dorothy met her future husband, Edward, a store manager at Pick-n-Pay, through a mutual friend and the two hit it off immediately. They married on August 23, 1952. The new Mr. and Mrs. Vartorella settled in the 'burbs (lovely city of Bedford) where they soon became a family of three following the birth of their son,

Jeff. Three more children followed after Jeff – Mark, Greg, and Roseanne. The family loved spending time together, bonding over many family vacations with a favorite being camping. Dorothy's favorite destination? Italy – a romantic trip she and Ed were fortunate to experience.

The kids were thrilled when Dorothy baked on the weekends, with her specialty being cookies. During the holidays, Dorothy would bake over 100 (yes, 100) different varieties of cookies to use as gifts for family and friends. She would need to hide the cookies so the kids would not sneak any. Did the kids ever locate the hiding spots? No, as Dorothy was a good "hider." No cookie crumbs in her meticulous house (Dorothy was a fanatic about a clean house).

Dorothy moved to Anna Maria in 2019, and though life has slowed down a bit for this active lady, she still enjoys a good game of cards and of course BINGO. She receives lots of phone calls (and now visits) from her family which includes 11 grandchildren and 15 great-grandchildren. Wow! She is dearly loved by all. What is her advice for the younger generation? Stay healthy! May God continue to bless Dorothy with good health and happiness.

Goes above and beyond!

Congratulations to our Kensington at Anna Maria Employee of the Month, Jackie Sanovich, RN. Jackie goes above and beyond every minute while on duty. She won't hesitate to lend a helping hand, and places the needs of her residents first and foremost. "No" and "Can't" are words not in her vocabulary; she effectively maintains a positive, "can-do" attitude. When in doubt, ask Jackie. She will always find a way to help you! Congratulations and keep up the good work!

Congratulations and Good Luck!

Our Graduating Seniors

May is such a busy month with the celebrations of Mother's Day, Memorial Day, and the music of Pomp and Circumstance at high school graduation ceremonies. Fortunately, many high schools are holding such ceremonies this year after suspending last year due to the pandemic. Six of our employees (all in dietary) will bid farewell to high school and prepare to enter the "real" world after graduation the end of this month. We wish these fine young men and women the best of luck in the future, and thank them for their service to the residents at the Campus of Anna Maria. CONGRATULATIONS!

***Jonathan Rosenberg –
Twinsburg High School.***

Jonathan enjoyed his time at Twinsburg High, as he was active in soccer, was V.P. of Debate Club, and president of French Club. Jonathan recently learned of his acceptance to Princeton University (what an accomplishment) and will pursue a degree in religious studies.

***Samir Gonzalez -
Benedictine High School.***

Samir will be attending Kent State University in the fall, majoring in nursing (he'll make an excellent nurse). He's been playing soccer for 15 years and will continue playing at the club level at Kent. Samir appreciates the family atmosphere at Kensington and enjoys his wonderful co-workers, as it's a team environment.

***Aniya West –
Aurora High School.***

Aniya was quite the busy bee at Aurora, as she was involved in tennis, marching and concert band, and gained college credit for classes taken at Kent State. She will attend either the University of Cincinnati or Akron in the fall, with an undecided major. Aniya enjoys learning about the past of each resident – many amazing stories.

***Jaida Bray –
Maple Hts. High School.***

Jaida will miss the carefree days of high school, but excited to start this next chapter in her life, hopefully at the Savannah School of Art and Design (SCAD), where she is awaiting word of her acceptance. She will continue working here through the summer, as she really enjoys her job.

***Caitlin Bing –
Kenston High School.***

While in high school, Caitlin participated in cross country and choir. Favorite classes? Microbiology and zoology. She will attend the University of Findlay in the fall, enrolled in the pre-vet/animal sciences program. Caitlin enjoys working at Kensington as everyone is so friendly and kind; it's like a family. She will continue working through the summer.

***Dylan Vauss –
Solon High School.***

Dylan enjoyed playing basketball at Solon and excelled in math, his favorite subject. Dylan will join the Air Force after graduation. He's enjoyed working here and getting to know the residents.

Happy Anniversary!

During the month of April, several employees celebrated milestone anniversaries. We are proud that so many of our employees find longevity here at the Campus of Anna Maria. A few reasons why? Perhaps the supportive management, fair compensation, great co-workers, and career growth. Congratulations to **Michele (activities) and Antwanette (STNA) Coble**, 5 years – **Keosha Henderson (STNA)**, 5 years – **Leonard Russell (maintenance)**, 5 years – **Kristen Jacob (STNA)**, 5 years – **Pat Williams (LPN, Unit Manager)**, 10 years – **Robin Leister (housekeeping)**, 20 Years! Wow, a combined 55 years of service! Outstanding! ** See below for a “fun fact” on Michele and Antwanette Coble!

What a beautiful cake!

****Fun Fact – Michele Coble (Anna Maria Activities) and Antwanette Coble (Anna Maria STNA)**

So five years ago, on a bright, sunny day, Michele drove her daughter Antwanette to Anna Maria to interview for a housekeeping position. Michele waited in the car. During the interview (which she nailed), it was determined that Antwanette would be a wonderful fit as a caretaker in our assisted living area. HR Manager Albert Berry jokingly asked if Antwanette knew anyone who could fill the housekeeping position! Antwanette replied, YES, my mother who is waiting for me in the car. Michele walked in, interviewed, and was offered the position. Though Michele did just accept a position at another facility, she decided Anna Maria was the better choice. She was absolutely right! Michele is now an activities assistant, and Antwanette is an STNA. We are so proud of this mother/daughter team. You are appreciated!

A look at what is going on...

Happy at Happy Hour

Anna Maria residents were treated to “Happy Hour” with refreshing mocktails (Moscow mules). Delicious! We can thank Shakespeare for coining this fun phrase – In Henry V, King Henry says, “Therefore my lords, omit no happy hour that may give furtherance to our expedition,” whatever this means! Everyone is happy during Happy Hour!

Thanks for Visiting Oto!

So excited to see Oto again, the dog of Physical Therapist Jackie Meathe. Oto was a regular visitor pre-covid, and he’s back, spreading love and sunshine to our residents.

Look for the Girl with the Sun in her Eyes...

Anna Maria resident Helen S. is ready for the summer. What a great pair of sunglasses! (Helen passed away peacefully the other day. May she rest in peace)

Snow in April? Yep...

Never fails... we always have a day or two of cold, snowy weather in April. Lisa McFarland (Assisted/Independent Living Activities Director) took this gorgeous picture of a snow-covered blossoming tree. Just beautiful.

Crafting Time!

Residents at Kensington really enjoy crafting, and spring crafts are in full force. Rock painting and flower crafts “ruled the roost” last month. Many thanks to our wonderful activities staff for all of their creativity; our residents sure do benefit from it!

Delicious Dirt Cups

May look like dirt, but doesn't taste like dirt! Chocolate pudding, crushed Oreos, and whipped cream make for a very tasty snack! Residents at Kensington sure enjoyed their “dirt.”

Go Browns!

Maintenance director Jason Reed is a HUGE Browns fan. By looking at him, how can anyone not know this? Stopped by to “show off” before heading downtown to attend Draft Day 2021 festivities.

Assisted / Independent Living

A look at what is going on...

Thank You Thank You!

Patty Berger, the daughter of independent living resident Michael Seminatore, treated our staff to lunch from Antonio's in Solon. What a delicious spread of food. Patty is so appreciative of the quality care her dad receives from our staff. The best way to show thanks is definitely through our stomachs. Thank you again for your kindness; we sure did appreciate it.

Therapy At Its Best!

Many of you are aware that Anna Maria has a resident therapy dog owned by Activities Director Lisa McFarland. He is available anytime for one-on-one visits with our residents. **Please contact Lisa at 330/562-6171 x234** (to make arrangements for a "visit.")

Just Hanging Out!

While taking advantage of a most beautiful sunny afternoon, therapy dog Bowie decided to keep Gary B. company and enjoyed the sun as well. Just what are those two talking about?

Concerts are Back!

He's B-A-C-K! So excited to have entertainer Ron Papaleo back for Friday entertainment. He is a favorite amongst our residents and he's been missed. We are slowly but surely getting back to "normal." Thank you Ron. Looking forward to your next gig!

Chair Dancing

Residents continue to enjoy weekly chair dancing with Lisa McFarland. This is a really fun activity, and an excellent way to keep the heart healthy.

B-I-N-G-O

Residents simply cannot get enough of Bingo, which is played several times a week.

Janet M. might be a winner

Fun Fact

What is Lunar Eclipse?

A lunar eclipse happens when the moon moves directly behind the Earth, causing our planet to be between the moon and the sun. The moon crosses into the Earth's shadow, resulting in a really cool effect on how the moon appears to us Earthlings. It's been more than two years since the last total lunar eclipse. What's so great about a lunar eclipse? You don't need any special equipment to view it. Lunar eclipses often go unnoticed, even though they are visible over a great area. Most people don't look at the moon often enough to notice a slight shadow, dimming, or discoloration. The moon will have a really cool reddish glow. Next total solar eclipse? December 4, 2021, however, you'll need to travel to Antarctica to witness the total phase of the eclipse.
