# FERN THOMPSON

---

## Residential Profile

Fern (Wrikeman) was born on the first day of summer (June 21 – a beautiful and sunny day) in Struthers, Ohio, a small town southeast of Youngstown. She was the second youngest of Paul and Myrtle's five children. The family home was close to Mill Creek Metroparks (established in 1891 as the first park district in Ohio), which served as a year-round playground for Fern and her siblings, playing in the woods and ice skating (in the winter) on the big pond.

At age 16, it was time to find a job, so Fern worked at the local Five & Dime. She later found employment at the Youngstown Sheet and Tube, where she operated a lathe (a machine for shaping wood, metal, or other material by means of a rotating drive which turns the piece being worked on against changeable cutting tools). Fern's boss was quite impressed with her work on the lathe, and complimented her mechanical abilities. Around this time, Fern took notice of her

best friend Bertha's older brother, Ray, who just happened to be friends with Fern's brother, who was also named Ray! Bertha's brother was stationed in the Army during WWII, and once returned back home, brother Ray re-introduced Fern to friend Ray, who built up the courage to ask Fern out on a date. Though Fern was dating someone else at the time, she agreed to the date. It must have been a great date, for

Ray informed Fern that he was the one she was going to marry. She, of course, said he was crazy! Apparently, not that crazy, for they married less than a year later. The lovebirds enjoyed a honeymoon in Hannibal, Missouri, birthplace of author Mark Twain. Though they stayed with Ray's Army buddy (not too romantic), Ray and Fern had a marvelous time.

Ray and Fern Thompson enjoyed a great life together, and were blessed with three boys: Thomas, Kenneth, and William. While Ray worked as a welder at the Steel Door Company, Fern was a "domestic engineer," tending to the every-busy needs of her family. She enjoyed sewing, cooking, and baking. Fern's passion was baking "fancy cakes" and put this talent in high gear when baking a cake for one of the boy's birthdays. Often the boys would attempt to stump her with a request for a lion or tiger cake, but Fern always came through. And to think this was way before the days of Pinterest! Her sewing skills were second to none; she made her sister's wedding gown (it was gorgeous), clothes for the kids, purses, and other items. Someone always had a sewing request for Fern! A furry friend was always part of the Thompson household; this may be why Fern enjoys the company of Bowie (Anna Maria's therapy dog).

Sadly, Ray passed away from a heart attack at the too-young age of 45. Fern never remarried, explaining, "Ray was the best husband anyone could ever ask for...A good guy who could fix anything and loved kids...He was the best." After Ray's passing, his company (Steel Door) offered a Fern a job as a receptionist / switchboard operator.

She accepted and worked at Steel Door for the next 22 years.

Fern enjoyed traveling, and joined a travel club through AAA, traveling with the same core group of friends. Fern has traveled to every state in the US, including three trips to Hawaii and two to Alaska. She's also step foot in Canada and much of Europe. Wow!

Fern moved to Aurora a few years ago to be closer to her son, Bill, and his family (her other two sons passed away from heart attacks). She originally moved to Independence Village, but due to a medical condition, she relocated to Anna Maria (our gain). Fern enjoys her time here, taking full advantage of the wonderful activities we offer, especially our day trips. She likes to keep busy, and will bring out the needle and thread from time to time. Fern is a loving and caring lady, and we wish her nothing but the best during these golden years.

# DOLORIS SPEARMAN

---

## Residential Profile

**Doloris with DON Sally Baltes**

**Doloris with STNA Keosha Henderson**

Doloris was born on July 15, 1939, in Cleveland, Ohio. She was one of nine children born to Marsh and Eva Fisher. She enjoyed a wonderful childhood with her family, and has fond memories of the nearby playground, when the kids would spend many a happy day playing. Doloris attended Jane Addams High School, and upon graduation, began her “career” as a caregiver. Caring for others was not just a job; it was a passion that lasted her entire working years and beyond.

Doloris married a wonderful man named Richard Spearman, and the couple was blessed with two boys: Navarre and Kirk. Doloris worked as a nanny with different families, becoming a “second mom” to so many children. During one of her nanny stints, she became friendly with the family who lived next door. Doloris and the mom, Clare, connected and became fast friends; in fact, this became a lasting friendship. They kept in touch via Christmas cards and an occasional telephone call. Years later, Clare’s mom, Theresa, moved here to Anna Maria and needed a caregiver. Guess who Clare called to help! Yep, she called Doloris, who was more than happy to assist.

A few years ago, Doloris became hospitalized and this time the tables were turned: she required a caretaker. She moved here to Anna Maria (where, ironically, her friend Theresa resides) and continues to spread love and sunshine to all who cross her path. She remains an active member of the Love Center Interdenominational Church, where her nephew, Elder Paul Carrington, is pastor. Besides “caring” for others, Doloris enjoys reading and working on crossword puzzles. She’s an ardent card player with her favorite game being bid whist (similar in a way to bridge). Doloris participates in all our activities and receives frequent visits from family and friends. She is a joy to be around and we wish her continued good health and happiness.

# THE EMPLOYEES OF THE MONTH

Anna Maria

**Sarah Braessler, RN.**

Congratulations to our Anna Maria Employee of the Month, Sarah Braessler, RN. Sarah works in our short-term rehab area, and we are fortunate to have such a wonderful nurse caring for our residents, especially one as empathetic and compassionate as Sarah. She's a team player, and is most considerate of her co-workers, going out of her way to offer any kind of assistance. Congratulations, and keep up the good work! We couldn't be prouder that you are such an integral part of team Anna Maria.

Kensington at Anna Maria

**Lakisha Collier, RN.**

Congratulations to our Kensington at Anna Maria Employee of the Month, Lakisha Collier, RN. Lakisha works night shift on our memory care unit. She is caring and compassionate about both her work and her residents. Lakisha takes pride in her work by doing what's best and necessary for her residents. She works hard every shift to keep things running smoothly and helps her co-workers to ensure a smooth shift for everyone. She is a great leader! We are blessed to have such an amazing hard-working nurse on our team! Keep up the great work!

### Countdown to a New Year, 2020!

Anna Maria and Kensington residents bid a fond farewell to 2019 and welcomed a new year with open arms, 2020. Residents munched on a variety of delicious appetizers while listening to the wonderful music of entertainer, Jim Marzullo. Noisemakers and festive beads added to the merriment. Of course, we celebrated a little earlier than midnight, more like at 2pm! Here's to a happy and healthy 2020!

### Broom Hockey

Anna Maria residents enjoyed a great game of broom hockey. All the fun and excitement of regular hockey, minus the cold. We had so much fun we forgot to keep score.

## No Snow, but lots of Snowmen!

Frances H. and STNA Juliet

Frances with the Rehab Place Crew

Frances, Genee, and Mary prepare the cheesesticks

Robert K. hands out snowman noses

The painted snowmen! So cute!

Should we be happy or sad about the lack of snow received so far this winter season? Since we can't build a snowman outside, we can certainly paint one inside, and that's exactly what Anna Maria residents did one sunny afternoon. \*\*\* The snowman was also the "main attraction" of the January employee trinket. Each month, residents craft a little something to distribute to employees as a "thank you" for all of their hard work. January's trinket was a string cheese snowman and a boxful of snowman noses (Tic Tacs). Best thing about all of these snowmen? They won't melt!

## Salad Bar Fundraiser

These employees all agree: Very tasty and delicious

The Family Tree Homecare Crew

The Campus of Anna Maria holds various fundraisers throughout the year to raise funds for the Alzheimer's Association. Last month's fundraiser was a make-your-own salad featuring mixed greens with a great assortment of delicious toppings. We raised over \$400 for the Alzheimer's Association. Way to go! Thanks to everyone who helped make our salad bar such a success.

## The Joy of Giving, not Receiving

This cute Girl Scout presents Anna Maria resident Rose Pisanelli with a small holiday gift. We are thankful to the many organizations that stopped by during the holiday season to mingle with our residents and distribute cheer and love.

## And the Walls Came Tumbling Down...

Six years ago on a cold and snowy day, the original Anna Maria "house" came tumbling down, enabling us to begin construction on the beautiful front office/hub/rehab area. Wow, a lot has happened in these past six years. How we've grown! Still family-owned and operated for over 50 years.... Please share any memories you may have of the original "house." Email your memories to editor Joann Poremba ([jporemba@annamariaofaurora.com](mailto:jporemba@annamariaofaurora.com)).

## Better Late Than Never...

Due to space constraints in the January newsletter, we were unable to highlight pictures from our holiday parties in December, attended and enjoyed by our residents and their family members. Many thanks to our dietary and activities staff for all of their hard work in planning such great festivities for our residents to enjoy!

Music will Make Your Heart Sing...

Connie M. and Nikki S. attempt the craft

Eileen S. and Marceal C. sing, sing a song...

Flor U. gets a little help from office manager Joann Poremba

Fern T. (right) shows the others how to properly thread a needle

These lovely ladies chose to sing over crafting

One fine afternoon, assisted living residents had a choice of crafting a felt heart (Valentine's Day is right around the corner) or participating in a sing-a-long. The group definitely split evenly in half and worked out so nice, as the lovely singing helped the crafters craft just a bit better!

Rose Between Two Thorns...

Left to Right: Nina D., Ernie, Ginger O.

Is Ernie Quesenberry a rose between two thorns, or a thorn between two beautiful roses? You be the judge of that. Nina DeWitt, Ernie, and Ginger Otcasek enjoyed a lovely and delicious lunch at the Chicago Deli in Solon.

## Lisa Renee's Dance Enrichment Studio

Young dancers from Lisa Renee's Dance Studio in Aurora stopped by to perform a lovely dance routine. Residents really enjoyed the performance. Thank you for sharing your talent with us!

## When You Can't Travel to the Wok...

The Wok will travel to us! Due to repairs on the campus bus, residents were unable to travel to Solon to dine at the Imperial Wok. So rather than disappoint, Activities Director Lisa McFarland brought the food back to Anna Maria. Imperial Wok is a favorite amongst our residents, and we hate to miss any opportunity to enjoy this delicious cuisine.

## History of Aurora, Ohio

Aurora historian, John Kudley, stopped by one day with a most wonderful and informative talk about the history of this great city of Aurora. John is a retired educator having taught history and social studies in the Aurora City Schools for 35 years. He is the author of “More Than A Landmark: The History of the Church in Aurora”, “1809-2009” and is currently researching and writing in conjunction with the Aurora Historical Society a history of Aurora from 1900 to the present.

## Here We Come, 2020!

Independent living residents did not “whoop it up” too much on New Year’s Eve, so they had plenty of gusto left to celebrate a bit on New Year’s Day. Cheese and crackers a bit of bubbly helped start the new year off on the right foot. Notice the lovely new furniture in the Norwood “A” area. If you haven’t already, check it out.

## How to Make a German Paper Star

Ernie explains how easy this is to Ann W.

Ginny R. is so proud, while Kay M. (back) looks a bit perplexed

Marlys B. (right) is not too sure about this, while Nina D. (left) is on the right track

The group gives it a try

Lorraine T. (left) is so proud! Pat. A., not so much

Some things are easier said than done. With this being said, independent living residents still have not forgiven AL / IL Driver Ernie Quesenberry for his brilliant idea of a fun craft. Ernie demonstrated how to make a paper German star. Seems SO easy, but it's actually quite difficult and time-consuming. Some stars turned out better than others. However, at the end of the day, it's all about the fun and laughs everyone had. Thanks, Ernie, you're better off sticking to gardening.

## Charades

What in the world is Marceal C. doing?

Laura L. (in red) is having a lot of fun with her charade

Charades, the classic game of acting, drama and guessing. Lots of fun and laughter went along with playing this great game.

## The Show Must Go On...

No rain, sleet, or snow can stop our cooks from preparing the perfect meal for our residents, even if that means grilling burgers outside on a cold, snowy day. Norwood chef Brando Stevenson bundled up and fired up the grill... those burgers sure were delicious and enjoyed immensely by our residents. Many thanks!

## Congratulations Nicole Lanier, STNA

Nicole with administrator Aaron Baker

Nicole with DON Sally Baltes

What a lovely cake! Nicole likes butterflies

Congratulations to STNA Nicole Lanier on achieving five years of dedicated service. She is a wonderful addition to our staff, and we couldn't be happier to celebrate this milestone with her.
