## From our Family to Yours....Merry Christmas and a Happy and Blessed New Year 2020!

We want to thank you for a wonderful 2019. From a business standpoint, we were very busy on all fronts this year. Census and demand for all setting (skilled nursing, assisted and independent living, home care, and therapy) was extremely high. Our best advertisement is always word of mouth, as most referrals to our Campus come from a family member or close friend that had a positive experience at the Campus of Anna Maria.

*As we close out the year, we'd like to share some additional information on "what's happening" here on our campus.*

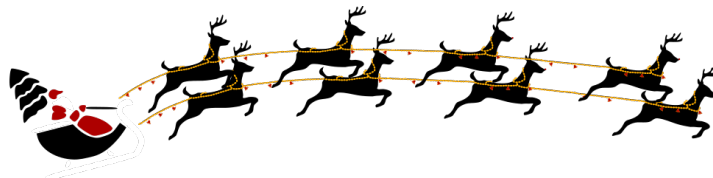

We are finally completing the remodeling project in Arborview, though the new furniture won't arrive until next month. The changes include a new color palette, ceiling replacements, new handrails, new dining room, light fixtures, carpet/flooring, and furniture. The addition of new activity/dementia stations will be completed in the near future. We've also added a new patio adjacent to the back entrance in the assisted living area. This will be a wonderful outdoor space for our families and residents to gather. Two of the four great rooms in Norwood "A" and "B" have received much-needed attention with new paint, carpeting, furniture, and new entrance doors with automatic openers. A therapy room in Norwood "B" will be constructed next year, consisting of a small, outpatient therapy gym where residents can receive physical and occupational therapy services. New outdoor lighting has been installed all around the Campus. The Kensington at Anna Maria building boasts a newly-remodeled front lobby area as well as new lighting throughout the building.

Potential projects for 2020 include creating two small studio apartments in Norwood "B," further enhancements to the other "B" great rooms, new flooring in the dining area of the Southwest unit at Kensington as well as new dementia life stations.

As part of our overall Emergency Preparedness plan, the Campus of Anna Maria will be implementing a WENS system in 2020, which is an automated phone call or text to families and/or staff in the event of an emergency where immediate communication could be initiated. We are also considering Campus-wide security cameras.

So again, thank you for your support, and we look forward to meeting and exceeding your expectations in the new year, 2020.

Introducing!

# GRACE KOBYLESKI

## Resident Profile

Grace was born and raised on a farm in Bath, Ohio, not far from where LeBron James lived prior to relocating to LA. Bath was home until age 12, when the family moved to Richfield. One day, while walking home from high school down a country road with a friend, Grace observed a rather cute farm worker working in the fields. The girls were puzzled as to why this worker was wearing gloves as most farmers don't. Grace and her friend struck up a conversation with the cute farm boy with the gloves, and as they say, the rest is history. Grace and John were married soon after, and moved to a lovely house in Slavic Village in Cleveland. The couple was blessed with six wonderful children, all fairly close in age.

John worked in quality control for the E.F. Hauserman Co, where he was employed for 39 years. Grace was quite busy raising these six children, and did not join the work force until her youngest child started attending grade school. She worked for 12 years in the Parks and Recreation Department for the City of Cleveland, then on to the State of Ohio Liquor Department, where she was promoted to the position of manager at the Garfield Hts. Store. She worked for 13 years before retiring.

Grace and her family enjoyed traveling. A few of their favorite destinations included Hawaii, England, Wisconsin (John was originally from this "cheese" state), Michigan, South Dakota, and Mexico. John and Grace continued their travels, even after the kids were grown. After Grace retired, she and John moved to Bedford. Sadly, shortly after this move, John passed away. Thought this was a difficult time for Grace, she kept herself busy and was active in the Golden Agers Senior Group (she served as vice-president for many years), as well as the Bedford Senior Center. Grace enjoyed volunteering, and was quite involved with Womankind in Garfield Hts., an organization that assists young, unwed mothers.

Grace moved to an apartment here at Anna Maria about three years ago. She remains active and enjoys yoga, bingo, and church services. She has frequent visitors, as this spunky 96 year-old has eight grandchildren and three great-grandchildren. She won't be present at the annual Norwood Christmas party as she'll be attending the graduation of her oldest granddaughter, as she receives her PhD from Kent State University. May God continue to bless Grace Kobyleski with good health and happiness.

## Veteran's Day

Honoring those who served.... A Salute to our Veterans...The Campus of Anna Maria held a Veterans Day Celebration on November 11, sponsored by the Gardens of Western Reserve Hospice. What a lovely ceremony! The Aurora High School Choir was on hand to sing a few patriotic songs, and each veteran was presented with a pin. A reception with desserts followed. We are proud to be the home to 52 veterans, including several World War II vets (less than 400,000 WWII vets are alive today out of 16 million). May God continue to bless our veterans; we thank you for your service.

## Congratulations Dunja Biggins and Leslie Hrubik on Five Years of Service!

Dunja with administrators Aaron and Chris

Leslie (center) celebrates with donuts instead of cake (it's 6:30 in the morning!)

Congratulations to both of these wonderful nurses on recently celebrating five years of service with the Campus of Anna Maria. Dunja and Leslie are caring and compassionate nurses, and we are thankful for their dedication to our residents. **Keep up the good work!**

## Thankful Turkey

Though we are thankful every day for the blessings and goodness in our life, this time of year we are especially thankful. Residents at Kensington at Anna Maria created a large paper turkey with hand-written messages on the feathers of what we are thankful for. This turkey is on display in the main living room area. Come and check out the “feathers.”

## Annual Family Thanksgiving Dinner

The Family Thanksgiving Dinner at Kensington at Anna Maria has become a tradition and well-loved event. This is always a wonderful opportunity for families to enjoy quality time with their loved one along with a most delicious meal. Many, many thanks to all those “behind the scenes” folks like dietary and activities. **We couldn't have done it without you!**

## Painted Turkeys

Kensington at Anna Maria residents had a bit of fun turning a simple, white paper plate into a colorful turkey! Just a bit of paint and creativity, and viola! A turkey is born! Many thanks to our wonderful activities staff for always having something fun for our residents to enjoy!

Fall Flower Bouquets

Hard at work on these beautiful bouquets!

Carolyn H. needs a yellow flower

Genevieve M. – looking good!

Anna Maria and Kensington residents crafted beautiful fall flower bouquets using nothing but artificial flowers and a bit of imagination. It all came together very nicely!

## We Are Thankful... Every Day...

A few of our residents and Anna Maria staff members were asked what they are most thankful for this holiday season... *Here are their responses...*

**Sarah Braessler, RN (Rehab Place)**

*I am thankful for so many good things in my life... My family, fiancé, new house, and wonderful job here at Anna Maria!*

**Laura Smith, Housekeeping**

*I am thankful for my children, their health, and my health.*

**Melanie Ruocchio, Dietary Aide / Cook (Rehab Place)**

*I was blessed three months ago with a beautiful baby girl; I am thankful for her and my wonderful family.*

**Noah Adkins, Resident (North)**

*Life is good thanks to the Lord... For that I am grateful!*

**Virginia Gharky, Resident (North)**

**\*\*\*** Virginia has the following poem taped to the door in her room... This about sums it all up...

*Virginia's Poem...*

Lord, so often times, as any other day ... When we sit down to our meal and pray ... We hurry along and make fast the blessing ... Thanks. Amen. ... Now please pass the dressing. ... We're slaves to the olfactory overload. ... We must rush our prayer before the food gets cold. ... But Lord, I'd like to take a few minutes more to really give thanks to what I'm thankful for. ... For my family, my health, a nice soft bed, my friends, my freedoms, a roof over my head. ... I'm thankful right now to be surrounded by those whose lives touch me more than they'll ever possibly know. ... Thankful, Lord, that You've blessed me beyond measure. ... Thankful that in my heart lives life's greatest treasure. ... That You, dear Jesus, reside in that place and I'm ever so grateful for your unending grace. ... So please, heavenly Father, bless this food You've provided and bless each and every person invited. Amen!

## Man's Best Friend...

Or in this case, Billie Bleyl's best friend. Billie enjoys spending time with all of her visitors, however, she especially enjoys when Chloe visits. Good thing Chloe visits often!

## ASSISTED / INDEPENDENT LIVING

### I'm Not Moving!

We are very excited about the updates to our Norwood "A" area including new furniture from Textile & Timber Home Furnishings in Aurora. Virginia Otcasek is sad to see the current furniture go, as she sat down and did not get up! Trust us, Virginia, you'll really like the new furniture!

## Gobble, Gobble...

Eileen S.

Ladies hard at work

Laura L.

Fern T.

Flor U.

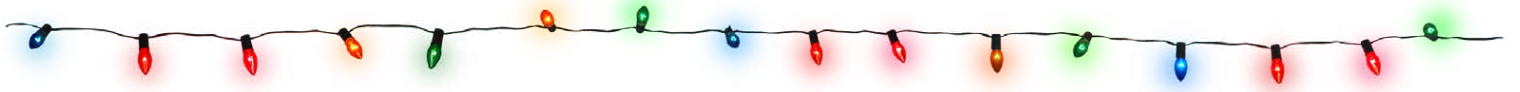

Connie M.

Marceal C. is all smiles

Decisions, decisions... Assisted living residents got a little crafty with Thanksgiving crafts, crafting door hangers and bookmarks. A few made both as they could not decide. Why not?!

### A New Driver?

Uh, oh, does Bowie (therapy dog of Lisa McFarland, AL/IL Activities) have a license? Not sure how he ended up in the driver's seat, but don't think that bus will move with Bowie behind the wheel.

### Headbanz

Marceal, Laura, and Flor are ready to begin!

A favorite game of our assisted living residents is Headbanz, an exciting game where everyone knows what you are...except you! A band with a picture card is attached to one's head via a headband, and your job is to learn whether the card is an animal, type of food, or a man-made object. The faster you find out, the faster you'll move around the board and win! It's a fun, fast-paced game that's always a fan favorite.

Betty, Marie, and Fern are still in the game!

Connie is out, but is helping Eileen!

## Good Eating at Perkin's Restaurant

(l to r) Virginia, Carol, and Jazmin

Sandra, AL/IL Activities Director Lisa, and Karen bask in the warmth of sunshine and friendship!

Always a good time at Perkin's Restaurant in Hudson, Ohio. Great food and even better conversation and company. The very first Perkin's opened in 1958 in Cincinnati, Ohio. Today, there are 342 restaurants, with 26 in the state of Ohio. Always a full bus when the destination is Perkin's!
