

November 1, 2021

Dear Assisted/Independent Living Families & Responsible Parties,

After testing residents and staff through the weekend and today, we have three additional residents and one additional staff member who tested positive.

As a result, we will have to continue to restrict visitation, maintain the quarantine, and continue to deliver meals through Monday, 11/8/21. I'm sorry to have to keep extending the deadlines, but we need to keep these measures in place until we know we've stopped the outbreak. I realize that we are all frustrated as this drags on. We are having a third party contractor conduct extra sanitation cleaning on Wednesday as an extra preventative measure. We will keep you posted.

As always, contact me with any questions. Thank you.
