Ann Nagy
Happy 105th Birthday to Ann Nagy!

Ann and her caregivers

Angie, Tiffany, and Kathy are ready to celebrate!

Ann with daughter Christine and granddaughter Susan

Kensington at Anna Maria resident Ann Nagy recently celebrated her 105th birthday, and what a reason to celebrate. Not only did her extended family throw a few parties, her Kensington caretakers showered her with much birthday hoopla as well. Ann has been a resident at the Campus of Anna Maria for over 14 years, with her first residence in one of our Norwood independent living apartments (apartment 114 to be exact). She's a spunky gal and we love her dearly. May God continue to bless our Anna Nagy with good health and happiness!

A "Resident Profile" will not be featured this month, and we apologize. Stay tuned for the September issue for a wonderful profile of Flor Urso. Thank you !

Joann Poremba, Office Manager.

Congratulations to our Anna Maria Employee of the Month, Joann Poremba, Office Manager. Joann might have the title of Office Manager, but she is so much more, wearing many hats. She's an advocate for employees, residents, and families. A person of faith, kindness, and compassion. Joann has a big heart, and is willing to listen and provide support to all. She recently initiated a recycling program at Anna Maria, and has taken the time and effort to educate others on "going green." Congratulations, Joann, and keep up the good work. We certainly do appreciate you!

Kensington
Sherry Joslyn, STNA.

Congratulations to our Kensington Employee of the Month, Sherry Joslyn, STNA. Sherry is an amazing aide and team player. She stays over to help on the unit, works hard and is always willing to help co-workers when they need it. She loves all of her residents. She spends one on one time with residents and really goes above and beyond to make them feel safe, loved and cared for. She is a huge asset to the SW team and we are lucky to have her. We appreciate the dedication she shows every day. Congratulations, Sherry! Thank you for everything you do!

FULL HOUSE

Or a Royal Flush? Or a Straight? Once a week, Anna Maria residents gather to play a nice hand of poker. The stakes are high (well, not really), but the laughs are plentiful. We always have a good time, especially with activities assistant Michele Coble dealing the cards.

MILESTONE ANNIVERSARY CELEBRATIONS...

Amy's lovely cake

Amy (in blue) with (l to r) Pat Williams, Aaron Baker, and Ruth Becht

Congratulations Joann Poremba, Office Manager, and Amy Farenholz, LPN, who celebrated 20 years and 5 years of service, respectively, with the Campus of Anna Maria. Both of these lovely ladies were surprised with a cake and many kind and congratulatory words. Employees like these are the backbone of our organization, and we can't thank them enough for their dedication.

You are appreciated.

AKRON RUBBER DUCKS

Though the Rubber Ducks are not having a very good season (they are in last place), it's still a lot of fun heading out to the ball game! Anna Maria and Kensington residents watched the Ducks take on the Bowie Baysox on Friday, July 12. A most beautiful evening weather-wise, and though the Ducks lost (sigh), residents really enjoyed themselves. A spectacular fireworks display followed the game. Activities Supervisor (and bus driver for the evening) Lisa McFarland caught a foul ball! We did enjoy our peanuts and Cracker Jack!

BURGER KING AND ICE CREAM SANDWICHES

Once a month, Anna Maria and Kensington residents enjoy “fast food” for dinner. Whether its burgers and fries from McDonald’s, Burger King, or Wendy’s, pizza from Pizza Hut, or a roast beef sandwich from Arby’s, it’s always delicious and brings a smile to many a face. July’s featured “fast food” was cheeseburgers and fries from Burger King, followed by ice cream sandwiches for dessert. Perhaps we’ll try Chinese next month? One never knows!

UN PASTO DELIZIOSO!

Anna Maria resident Delano Orsini was a chef back in his working days (and a very good one at that), and every now and then, Delano gets a hankering to “get back in the kitchen.” When this hankering happens, our wonderful activities staff will assist Delano in preparing spaghetti with meat sauce and garlic bread. Who gets to enjoy this delicious food? Delano and his family, and few lucky staff members!

ABOARD THE MYSTIC BELLE

Anna Maria and Kensington residents took a trek out to the historic Vermilion River in (where else) Vermilion, Ohio, and boarded the Mystic Belle for a three-hour tour. No, not out to Gilligan's Island, but rather a wonderful and interesting scenic cruise down the Vermilion River. The boat cruised past working marinas, boat yards, and fabulous riverfront houses. The river is home to an amazing assortment of wildlife like Canadian geese, ducks, and white and blue herons. We could not have asked for a nice day. Many thanks to our wonderful activities staff for planning such wonderful excursions for our residents to enjoy!

AWWW, ISN'T SHE CUTE?

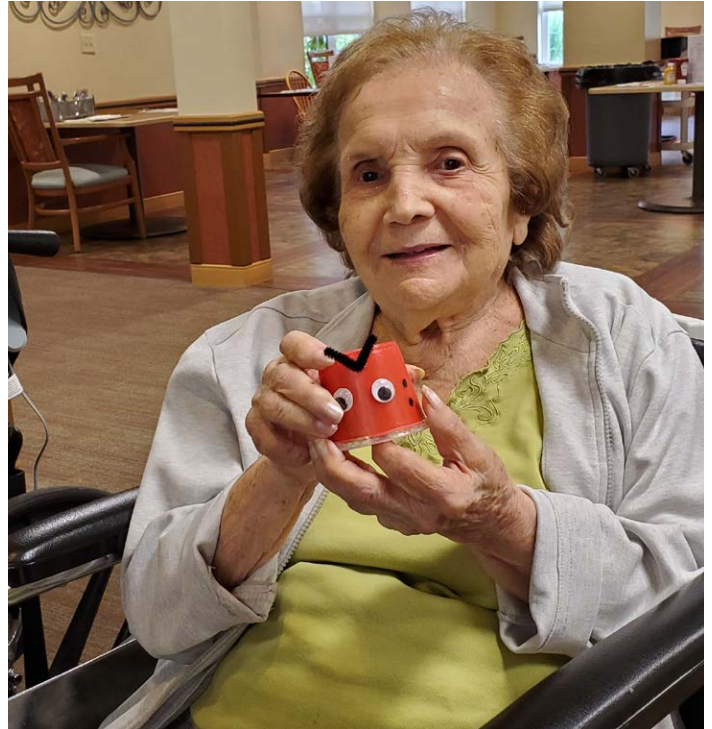

Lottie, the adorable German Shorthair Pointer puppy belonging to Sarah Braessler (RN at Anna Maria, Arborview), came in one afternoon to visit and play. Residents, staff members, and visitors really enjoyed her silly antics and hope she returns again soon.

LADYBUGS...

Besides mosquitos, what is the one bug folks associate with summer? If you guessed ladybugs, you guessed correctly. Anna Maria residents learned a few interesting facts about these bugs (actually, a ladybug is a beetle, not a bug) and what an important part they play in the insect eco-system. Afterwards, an adorable ladybug was crafted out of a plastic cup.

Irene B. proudly shows off her Ladybug

I SCREAM, YOU SCREAM...

We all scream for ICE CREAM! One hot, sunny afternoon, Activities Director Bridget Sassa decided to take a few residents out for ice cream. She navigated the bus to the nearest ice cream store, which just happened to be Handel's Ice Cream in Twinsburg. Nothing beats a cool cone on a hot summer day!

MARY, MARY, QUITE CONTRARY...

How does your garden grow? Very nicely, thank you very much! The vegetable garden in the Main Courtyard at Anna Maria is looking good enough to eat! Still a little green, however, we hope to have a nice selection of produce soon! Nothing quite like fresh vegetables from a garden.

WOW, DOES THAT LOOK NICE!

Want to feel like you're at the beach, with the sun setting and the waves gently lapping at your sandy toes? The new furniture in the Kensington at Anna Maria front entrance living room is very soothing and calming, and oh, so comfortable. Okay, it's not as good as being on the beach, but we think you'll like just relaxing and enjoying the comfort of this new furniture as you read the paper, check your phone, chatting with your loved ones, etc. (The furniture was purchased at Textile & Timber Home Furnishings in Aurora).

WATCH OUT! LAURA IS AT WORK!

CAUTION!

Housekeeper Laura Smith does an excellent job maintaining the cleanliness of our facility. Though she's a hard worker, she has a great sense of humor and keeps our residents laughing and smiling.

500 FLAGS BOULEVARD

Residents took a bus ride to Eastlake, Ohio, to view the Boulevard of 500 Flags. Over 500 flags are displayed and proudly flown year-round. What a wonderful way to show respect to those service-men who gave their lives for our freedom. Also on display is the Olympic torch which made its way through the city of Eastlake to Atlanta, GA, for the 1996 Summer Olympics.

Smile! Leona D. and Betty B.

A WONDERFUL TRAM RIDE THROUGH THE HOLDEN ARBORETUM

Every year in July, residents trek to Kirtland, Ohio, to visit the amazing Holden Arboretum, a spectacular nature area of over 3,500 acres of trees and plants, with 20 miles of walking trails. A tram ride is the best way to view the area, and we took full advantage of the free ride. We viewed amazing old-growth trees, wildflowers, bees, and butterflies. Nature at its best!

LUNCH AT MARY YODER'S AMISH RESTAURANT

This is quite possibly our favorite restaurant! Nestled in the heart of Northeast Ohio's Amish Country, Mary Yoder's is located in Middlefield in Geauga County, and is the 4th largest Amish community in the world. Mary Yoder's features home-cooked, family-style meals like fried chicken, roast beef and turkey, and pork. No meal is complete without a slice of pie. No wonder we enjoy this restaurant so much! You know we'll be back!

HAPPY 75TH BIRTHDAY TO SMOKEY THE BEAR!

Smokey Bear is one of the best-known symbols in the world, thanks to his decades-long campaign to warn the general public about the risk of wildfires. In celebration of his 75th birthday on August 9, here’s some “fun facts” about this blaze-battling bruin!

- His actual name is Smokey Bear. In 1952, “the” was added by songwriters to maintain the rhythm of a song about him.
- Smokey Bear was “born” August 9, 1944, when the U.S. Forest Service authorized his creation. The first poster showed Smokey pouring water on a campfire while saying, “Care will prevent 9 out of 10 fires!”
- A living symbol of Smokey came to be in 1950 when firefighters battling a wildfire in New Mexico found an abandoned black bear cub with severe burns. Named Smokey, the cub’s injuries were treated, and he was sent to the National Zoo in Washington, D.C., where he lived until his death in 1976.

- Smokey received so much fan mail that he was given his own ZIP code. During his time at the National Zoo, Smokey received many gifts, including jars of honey!
- The Smokey Bear Wildfire Prevention Campaign is the longest-running public-service advertising campaign in U.S. history.
- Smokey Bear has a Facebook, Twitter, and a hashtag: #smokeybearhugs
