Fantastic turnout

Back in 1976, Linda Shamblin applied for a nurse aide position at Anna Maria. She was hired on the spot by Robert Norton, Sr. (the founder of Anna Maria), with an hourly wage of 98 cents an hour. She worked for a couple of years, leaving at one point to work at Hudson Elms. She returned to Anna Maria in 1979. However, Linda had one condition upon her return: a new uniform of pants and a top, not a dress. Mr. Norton agreed to this, and so began Linda's career spanning 40 years of providing top-notch care to our residents. Her most memorable moments? Taking care of a World War II Holocaust survivor, and a former Cleveland Indians ball player (from the 80's). *** The company surprised Linda with a delicious BBQ lunch enjoyed by all employees, 40 gorgeous roses, and a gift card. Linda is an asset to the Campus of Anna Maria of Aurora, and we couldn't be happier to celebrate this amazing milestone with her!. Will she make it to 50 years? One never knows! Congratulations!

SUPERCHARGED SUCCESS

The annual Campus of Anna Maria of Aurora Classic Charity Car Show was yet again a supercharged success, raising over \$12,000.00 for the Alzheimer's Association. This was our most successful car show to date. The weather cooperated nicely, allowing the registered cars (over 100) to "strut" their stuff. While viewing all the classic cruisers, spectators enjoyed 50's music courtesy of DJ Mike of Cadillac Sound Machine, delicious burgers and dogs, great door prizes and raffles. Many, many thanks to all the members of the Anna Maria family who volunteered to help with this wonderful charity event. A great big "Thank You" to our wonderful sponsors (see website for complete list of sponsors), including our distinguished sponsor, Liberty Ford Aurora.

Flor de Maria

RESIDENT PROFILE

Flor de Maria was born on April 5, 1925, on an island in northern Brazil, San Luis, Maranhao. This island is located right near the equator, so there are two climates: hot and very hot! When Flor was just 18 months old, her dear mother contracted tuberculosis and passed away. During this period of illness, Flor's father, a merchant marine, was lost at sea and never returned home. Orphaned at a young age, Flor was adopted by her mother's best friend, Dona Zelha. Flor gained an instant family, with a grandfather, three brothers, and two sisters.

One does not grow up in Brazil and not love music. At age nine, Flor learned to play the piano, and became quite the virtuoso. Her love of music remains strong within her, even to this day. At age 14, Flor thought she might want to join the convent and become a nun. However, that dream was short-lived after Flor's mother informed her that nuns wake up every morning at 5:30 to pray the marinas (morning prayers).

After graduating from high school, Flor was accepted at the local university. She wanted to major in archeology, however, the school did not offer this area of study. So Flor moved to Rio de Janeiro to attend college. While she enjoyed her studies in archeology, at her mother's urging, she switched majors to language. She graduated with a B.A. in Language, proficient in Italian, Spanish, Portuguese, Latin, and French.

Armed with a degree, Flor accepted a position with the Brazilian Department of Labor. She also enrolled at the Rio School of Music to pursue another degree. Though Flor enjoyed her job, she left after four years to pursue other opportunities. She met her future husband, Bill Urso, while on a cultural exchange trip from Rio to San Paulo. The two enjoyed each other's company, and dated off and on for about six years. One day, Bill realized that they were meant to be together and popped the question. Flor of course said "yes!" Bill was a Chemical Engineer and worked for General Electric. The company sent him to the U.S. for some specialized training at Nela Park in Cleveland. After returning to Brazil, Bill decided to quit his job and move the family (which now included two daughters, Anna Maria and Anna Christina) to the United States, settling in Cleveland. Flor became pregnant with son Billy soon after the move. Son Francisco was born 18 months later. Flor was not at all thrilled with the cold, brutal season of winter, but she and the family adjusted and learned to love the change of seasons.

Flor learned English from watching the "I Love Lucy" show. She worked as a Social Worker for a hospital, and taught Portuguese, through the Berlitz School of Language, to executives doing business in Brazil. Bill and Flor were involved in many cultural organizations (Pan American Cultural Society, The Nationalities Service of Greater Cleveland, Cleveland Language Bank) that assisted Latin American families emigrating to the U.S. Flor was on the board of the Cultural Enrichment Program with former mayor, Carl Stokes.

Flor moved to the Campus of Anna Maria a few years ago, and we are thrilled that she's here. Flor enriches our lives every day with her bright smile and zest for life. Stop by anytime and get ready for a stimulating conversation. You might just learn a few words of Portuguese!

CONGRATULATIONS, CAROL CONTEEN, ON 5 YEARS OF SERVICE

Congratulations to Carol Conteen on recently celebrating 5 years of service to the Campus of Anna Maria. Carol is the controller in our business office, and she is a dedicated and loyal employee. Thanks for all that you do!

What a lovely cake!

EMPLOYEE PICNIC FUN!

Employees had a great time at the annual summer picnic, complete with delicious food like burgers and dogs, pasta salad, and sweet corn. The highlight? A "Pie in the Face!" For \$5.00, employees could smash a pie in the face of his or her manager. All monies raised was given to an employee for assistance with medical bills. We raised over \$100.00! Always a fun time. Thank you to administration and dietary staff for a great team-building afternoon!

Why is Bridget Sassa smiling? She's about to get a pie in the face!

Is that Kensington Unit Manager Jill Bevino? Think so...

JONES BONES BBQ FOOD TRUCK

Pulled pork and chicken, ribs, smoky macaroni and cheese, loaded fries, coleslaw. This is what employees enjoyed when the Jones Bones BBQ food truck swung by a few weeks ago. Really delicious food! We already reserved a date for next summer!

The first in line!

Office manager Joann Poremba definitely wore an appropriate shirt – Piggly Wiggly!

WE ARE APPRECIATED!

Once a month, residents craft cute “thank you” treats to distribute to staff members in appreciation for all of their hard work. August’s craft consisted of a Tootsie Roll pop with an eye-popping note attached: “Thanks for the ROLL you play every day. You are appreciated.” Anna Maria resident Genevieve Mustin had the pleasure of distributing the treats to staff members!

Admissions Coordinator Sue McElroy

Receptionist Carey Norton

CHICAGO DOG DAY

Kensington at Anna Maria residents enjoyed delicious, grilled “Chicago-style” hot dogs for lunch one fine day, along with baked beans and coleslaw. A most satisfying lunch!

MINIATURE AQUARIUMS

Well, if one can't get to the ocean, the ocean will come to us! Kensington residents crafted mini aquariums complete with creatures of the sea. Very realistic!

ROOT BEER FLOATS

Who remembers the A & W Drive-ins? The most delicious root beer served in a frosty mug. Anna Maria residents relived those days of the past with a homemade root beer float. Just what the doctor ordered on a hot, summer day!

GENEVA-ON-THE-LAKE

Anna Maria and Kensington residents took a trek (a long trek) out to Geneva-on-the-Lake. This is a "field trip" we take every August, and it's always well-attended and enjoyed by all. Though it was a hot day, we enjoyed the cool lake breezes in the comfort on the pavilion conveniently located right on the beautiful shores of Lake Erie. We dined on pizza and sipped on cool drinks. What a great way to spend a late summer afternoon!

HAPPY 102ND BIRTHDAY TO TOM MEYER!

Kensington at Anna Maria resident celebrated his 102nd birthday last month. May God bless you Tom with a great year filled with good health, happiness, and love.

OUR FAVORITE ENTERTAINER, RON PAPALEO

Residents enjoy Friday afternoon entertainment, but especially enjoy when entertainer Ron Papaleo performs. He is a "fan favorite," playing our favorite songs on his accordion.

HAPPY HOUR

Happy Hour is always a bit happier when Jackson sings and strums his guitar. From time to time, Jackson will stop by and play a few songs for the Friday Happy Hour group. Such a nice and talented young man.

Lorraine Tucker enjoys a glass of wine

RIDERS INN

Assisted and independent living residents took a nice, scenic drive out to Painesville to enjoy lunch at the Riders Inn. Not only did we enjoy delicious food, the owner was gracious enough to take the time to provide us with a fascinating history of the inn, including its involvement with the Underground Railroad.

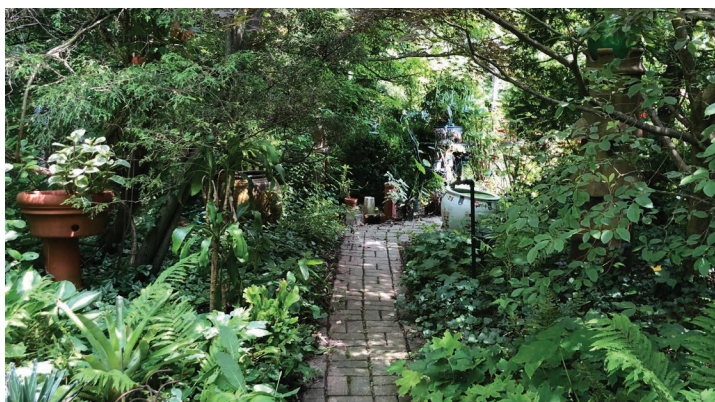

GARDEN PARTY AT ERNIE'S HOUSE

Activities / Transportation Aide Ernie Quesenberry has quite the green thumb. In fact, all fingers are green. Ernie was blessed with a wonderful knowledge of horticulture, and has quite the way with plants and flowers. His backyard can easily compete with the Cleveland Botanical Gardens. Every summer, Ernie hosts a lovely garden party for our independent living residents, who "ooh" and "aah" over his gorgeous greenery. A big "thank you" to Ernie for his hospitality; it's much appreciated.

What a beautiful picture of Ginny Richner

SEEING DOUBLE

Activities Director Lisa McFarland and her assistant, Jazmin Williams, wore identical outfits one day. Looking really good, ladies!

LAURA'S LOVELY GARDEN

Assisted living resident Laura Lesher is really proud of the beautiful plants and flowers growing outside her apartment. Stop by and check it out!

THE ACT II SINGERS

Standing-room only when the Act II Singers are in town! What a talented group of singers. Always a good time.

A HELPER ON MOVING DAY!

Assisted living resident Theresa Gleeson moved to a different apartment, and had a bit of help from therapy dog Bowie. Theresa sure appreciated the help!

BEAU'S ON THE RIVER

Experience the View, Taste the Difference! Beau's on the River opened at the Sheraton Suites Akron / Cuyahoga Falls in May of 2013, offering stunning views of the river rapids and falls, with floor to ceiling windows. Independent living residents enjoyed the scenery along with the delicious food.

BEAR CLAW COOKIES

One rainy afternoon residents were a bit bored, so activities spiced up the day with a fun cookie activity. Using coconut, almonds and cashews, residents created an adorable bear claw cookie. Looked good and tasted even better!

Have an “Anna Maria” Day!

Exactly what is an “Anna Maria” day? Is it a day that perhaps begins with homemade spiced pancakes and bacon, expertly prepared by our dietary staff? Or perhaps it’s a day when a resident hears the good news that he or she is strong enough to return home? Or perhaps it’s a day when the sun is shining and everyone greets you with a pleasant smile? “Have an Anna Maria Day!” What kind of day is this? **Submit your definition (150 words or less) for a chance to win a gift card! Good Luck!** Email to editor Joann Poremba at jporemba@annamariaofaurora.com. Winning entries will be featured in the October newsletter.
