Congratulations  
**A Nice Saturday Morning Walk**

So proud to present a check for \$16,000.00 to Stephanie Mueller of the Alzheimer's Association

It certainly was a nice morning for a walk, but that's not the reason why over 30 Campus of Anna Maria employees donned their walking shoes on the morning of Saturday, September 14. Rather, it was to support the annual Alzheimer's Association "Walk to End Alzheimer's" held at Canal Park Stadium in Akron (home of the Akron Rubber Ducks). This is the nation's largest event to raise awareness and funds for Alzheimer's care, support, and research. The Campus of Anna Maria of Aurora is a huge supporter, and we were once again (third year in a row) the recipient of the "Stinky Shoe" trophy, awarded to the corporate team (in Portage county) that raises the most money. This year was a record for us, raising over \$16,000.00. In fact, since 2012, we've raised more than \$67,000.00. What an amazing accomplishment. Many, many thanks to all those who have supported our fundraising efforts for this worthy organization. We are leading the way to finding a cure for this devastating disease.

**\*\* Our next fundraiser is a Chili Cook-off on Thursday, October 17. Check our website for more information ([annamariaofaurora.com](http://annamariaofaurora.com)).**

This is Maria (top row, center) with her family!

Maria and Rudy

Maria's parents – Maria and Johann

## RESIDENT PROFILE

Maria was one of four daughters born to Maria and Johann Weth in the lovely small town of Grafenrheinfeld, Germany. Maria and her sisters, Hede, Irma, and Elsa, enjoyed a typical childhood filled with much love and happiness. The girls attended a trade school where they learned to sew and cook. Maria fondly recalls how much her parents liked to entertain, throwing extravagant parties for their friends. Maria and her sisters would secretly eavesdrop on the many interesting conversations during these parties.

Maria met her future husband, Rudy Hehn, at a dance in the nearby village of Oberndorf. The two immediately hit it off and began a courtship. When the time came for Rudy to propose, to follow tradition, he retrieved a stone from a particular rock in the village which was presented to Maria's father for his approval and blessing. This stone was used as part of Maria's engagement ring, and the two were married on November 6, 1950.

In 1951, Maria and Rudy were blessed with a bouncing baby boy whom they named Wolfgang (Wolf for short). Rudy immigrated to Canada in April of 1955, with Maria and Wolf following in August. The family settled in Toronto and became Canadian citizens in 1962. In 1964, the Hehn's emigrated from Canada to the United States, settling in the Cleveland area where friends of Rudy lived. Rudy saved enough money from his time in Canada to allow him the opportunity to open his own business, a butcher shop named Rudolph Hehn's Old Country Homemade Sausage & Imported Delicatessen. The store was located in Maple Heights, near the corner of Broadway and Libby. The shop was very successful; customers would flock from all over the area. In fact, a few customers hailed from Chicago and would make a few special trips a year just to purchase sausage from Rudy. Customers appreciate quality, and that's what Rudy and Marie offered.

The family lived in an apartment above the shop. However, one fine day in the early 1970's, Maria and Rudy were driving through Solon, and noticed a lovely house on a large, treed lot on Cannon Road for sale. Business was good and money was saved, so hence they became homeowners, truly living the American dream. The shop remained a successful family and business until, sadly, Rudy passed away in 1984, and the shop was sold. It continues to operate today with new owners under the name Old Country Sausage Kitchen.

Maria has resided at Anna Maria for just over a year now, and we couldn't be happier that she's here. Maria is so kind and gentle, and has a heart of gold. Please stop by and say "hello" anytime. She might just tell you the secret to the family's famous sausage recipe! May God continue to bless Maria with good health and happiness.

Anna Maria of Aurora  
**Kyra Wise LPN.**

Congratulations to our Anna Maria Employee of the Month, Kyra Wise LPN. Kyra is a "weekend warrior" on the South unit at Anna Maria, and received a most wonderful nomination from a resident's family. The family wrote "Kyra is an asset to Anna Maria...completely dedicated to the welfare of her residents...has the most caring and loving heart...provides a calming atmosphere...not just doing a job, genuinely cares..." Thank you Kyra! We are fortunate to have someone like Kyra caring for our residents. Congratulations and keep up the good work!

OCT

Kensington  
**Kelly Phillips, SLP.**

Congratulations to our Kensington at Anna Maria Employee of the Month, Kelly Phillips, SLP (Speech Therapist). Kelly is a wonderful therapist who is much loved by her patients. A resident at Kensington hit it right on the nail, "...Kelly has a lot of patience...so pleasant...gets my brain moving in the morning...always smiling and happy...I've made progress with her help..." We couldn't be happier to have Kelly on our team. Congratulations and keep up the good work.

## CONGRATULATIONS ON CELEBRATING FIVE YEARS OF SERVICE!

Wow, last month, three employees celebrated five years of service with Anna Maria! What an accomplishment! Congratulations are in order for Latoya Flenoy ( Assisted Living Caregiver), Pam Kolner (Physical Therapy Assistant, Family Tree Rehab), and Michael McNicholas (Caregiver, Family Tree Home Care). Each employee was surprised with a few kind words and an awesome cake, along with a 5-year pin. We couldn't be happier to share this milestone anniversary with these three wonderful employees.

## HAPPY 70TH ANNIVERSARY LEE AND AMY BREELER!

Wow, 70 years of marriage is quite the achievement. Congratulations to Anna Maria residents Lee (Leroy) and Amy (Emilia) Breeler on reaching this milestone on September 24th. Family brought in a lovely cake which they shared with residents and employees. May God continue to bless Lee and Amy with continued good health and happiness, and shower them with love.

What a lovely cake (too bad we didn't take picture prior to cutting)

Still in love after all these years!

## YOU'RE SIMPLY THE BEST!

Our residents sure do appreciate all that our employees do for them, day in and day out. To show their appreciation, residents craft a special gift each month. Last month's craft? A miniature bottle of Simply Apple apple juice with an attached note, "You're Simply the Best." So true....

Kensington gals are so appreciative of Mary F's. gift

Kensington dietary staff is all smiles

Genee H. is having a blast

Jasmin Blue appreciates her gift from Jimmy T.

Love Billie's Hershey's sweatshirt

Maina C. and Jimmy T.

The Activities gals tie the tags on the bottles

Looking good Mary J.

## FINGER LICKIN' GOOD

Residents at Kensington were treated to a most delicious lunch: Kentucky Fried Chicken (KFC) with mashed potatoes, coleslaw, and biscuits. Like they say, it definitely was finger lickin' good! Many thanks to our activities staff for coordinating the lunch.

## A SEA OF RED

What's with all the red shirts? That's what inquiry minds want to know. \*\*\* All employees received a new Campus of Anna Maria t-shirt at the summer picnic in August, and employees wore this nice, new shirt a few Fridays ago, along with their jeans. Looking good, everyone!

## FALL CRAFTING

It's official, fall is here! Who's ready for cooler temps, sweaters, pumpkin spice everything, and hay-rides? Kensington residents are! First craft of the fall season was crafting leaf prints. So easy, yet the end result is so pretty! Paint one side of a freshly-picked leaf, press down on paper, and presto, a really cool leaf print. These masterpieces are on display throughout the Kensington building.

Etelka A. is all smiles

## HOPE COMMUNITY CHURCH

Members from Hope Community Church in Hudson stopped by Anna Maria one Sunday afternoon to spend some quality time with our residents crafting, playing games, and just talking (sometimes one-on-one time is the best). Residents sure were appreciative of the best gift of all: time. Thanks again to our new friends from Hope Community Church!

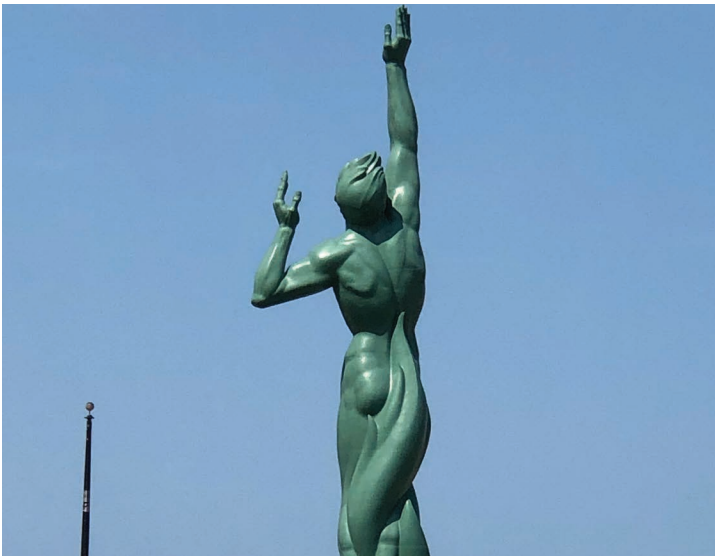

### BELGRADE GARDENS CHICKEN... SIMPLY THE BEST!

Belgrade Gardens Chicken in Barberton, Ohio, has been around since 1933, and it truly serves the world’s best-tasting chicken! Folks come from all over to savor and enjoy the delicious fried chicken and awesome sides. Though the bus ride was a bit long, assisted living residents did not mind the drive to Barberton to enjoy this awesome chicken. No one walked away hungry or disappointed. \*\*\* On the way back to Anna Maria, we stopped at Lake Anna Park in Barberton, home of the annual “Mum Fest.” The park explodes with color as 17,000 chrysanthemums create over a million mum blooms in a rainbow of color. Quite a sight to see. Absolutely stunning! The dazzling floral display provides a brilliant backdrop for the annual festival September 28 and 29.

## LOLLY THE TROLLEY

If you've never experienced a Lolly the Trolley tour before, you don't know what you're missing! It's truly one of the best ways to see Cleveland, up close and personal. Residents took a one-hour tour which included the Flats, Public Square, North Coast Harbor, Warehouse District, Ohio City and West Side Market, and Progressive Field. A great time was had by all.

## CHAIR VOLLEYBALL

Chair volleyball anyone? This activity is a “fan favorite” amongst our residents. It’s fun, exciting, and a great way to tone the arms!

## PICKLE BILL'S ON THE GRAND RIVER

Anyone who’s lived in Cleveland is no stranger to the famous Pickle Bill’s Lobster House on the Grand River, home of the famous “All You Can Eat” specials. Residents trekked to this famous seafood house to enjoy a most delicious lunch. Don’t think anyone was hungry enough to attempt an “all you can eat” menu item. The most popular? Alaskan Snow Crab! Only a cool \$59.99 for all-you-can eat! Always a good time at Pickle Bill’s!

Oh no, be careful Lisa!

Lobster Bisque... It's the bomb!

The Norwood gang enjoying lunch... mmm, mmm, good!

## HAPPY HOUR IS SO HAPPY!

There's certainly nothing better than kicking back after a hard day's work and enjoying good company along with good food and drink. Independent living residents enjoy "Happy Hour" every Friday, and what a fun time it is (especially when Jackson Slater sings and strums his guitar). Last week, Flor Urso's "grand-dog" Peanut stopped by to visit with the residents. Such a cutie! Bowie might have a bit of competition! Always a good time at Happy Hour!

## JOB WELL DONE!

From time to time, administration will receive a thank you note from a family who sincerely appreciates the high quality of care and attention provided to their loved one during their stay here at the Campus of Anna Maria. Here's an excerpt from one such letter.

"...I'd like to tell you what a positive experience my dad experienced at Anna Maria. He was incredibly happy with how he was treated, and I was equally impressed. His room was very nice, always clean and very comforting. The staff was friendly, helpful, and took all the time necessary to answer any questions... You have a wonderful facility, and thanks again for how well dad was treated..."

## GARRETT'S MILL BREWING COMPANY

Just a jump, hop, and a skip away is the lovely village of Garrettsville. Residents took a nice, leisurely ride to this quaint village, stopping to dine at the Garrett's Mill Brewing Company, which resides in a historic building that was constructed in 1804 by Col. John Garrett III. The Mill once operated as a water-driven flour mill serving a 20-mile radius and was considered a mega mill at the time. \*\*\* The food is made fresh from scratch and the beer is brewed in-house offering a variety of craft and domestic beers. On the way back to Aurora, the bus stopped to check out one of the oldest-living oak trees in the state of Ohio.

## WOW AND WOW!

What an incredible act of heroism displayed by Kensington at Anna Maria nurses Mindy and Shawn DiVincenzo. While attending the 2019 World Pool Championship in Las Vegas last month, a player went into cardiac arrest. Without missing a beat, Mindy and Shawn took immediate control of the situation and performed CPR until the paramedics arrived (about 20 minutes later). Without their medical assistance, this man would not be alive. Congratulations!

## TWINNING

Don't they say that great minds think alike? Payroll Coordinator Betty Eden and Dietitian Sue Kocin wore perfectly color-coordinated clothes one fine day. Looking really good ladies!

## Did You Know?

The fear of Halloween is called...

### Samhainophobia

October is the "national month" of a number of health observances including Sudden Infant Death Syndrome (SIDS), Blindness, Spina Bifida, Breast Cancer, and Healthy Lungs.

**What's Happening in October?**

 National Fire Prevention Week begins on **October 6**. This is a good time to change the batteries in your smoke detector (contact the local chapter of the Red Cross to obtain one for free), check the date of your fire extinguisher (should last up to 12 years), and review your family fire escape plan (if you don't have a plan, get one). Remember, if you play with fire, you will get burned. So be safe!

 Love pizza, popcorn, pork, sausage, and apples? You're in luck! October is the national month celebrating these beloved food items.

 The NBA and NHL begin their seasons in October, and baseball playoffs are in full swing. Good luck to our Cleveland Indians!

 October is best known for one of the most popular holidays: Halloween! **October 31** falls on a Thursday this year! Get your pumpkin carved, and your costume ready. Trick or Treat!

**Trick or Treat**  
 Bring your little ghosts, goblins, and witches (ages 12 and under, please) to the Campus of Anna Maria (all three buildings are participating – Anna Maria, Kensington, Atrium) Saturday, October 26 2-3pm  
 Residents will be handing out candy (all treats, no tricks) to all the trick-or-treaters!  
 We hope to see you there!

**BOO!**

Did you know that Halloween is the second highest grossing commercial holiday after Christmas? Americans spend over six billion dollars each year on costumes, cards, candy, and decorations! Frightening, isn't it? Perhaps, but what's NOT fun about Halloween? It's a holiday everyone, no matter what your age, can enjoy and get into the "spirit" of things \*\*\*\*\* Twelve (12) small orange pumpkins are hidden throughout the newsletter. Can you locate all 12? **If you can, email editor Joann Poremba at [jporemba@annamariaofaurora.com](mailto:jporemba@annamariaofaurora.com) for a chance to win a gift card. Need page number and name of article for each pumpkin found. Good luck!**
